Consent for Medical Treatment of a Minor

By law, any child under the age of 18 years old cannot be seen by a doctor without consent from a parent or legal guardian. In addition, if the minor arrives with someone other than a parent or legal guardian, we must have written permission that this person has been appointed by you to act on your behalf. Please be advised that protected patient health information may be shared with the proxy to whom the right to consent has been delegated in order to facilitate informed decision making.
